

UPWARD BOUND MATHEMATICS SYLLABUS

1. REQUIREMENTS AND EXPECTATIONS

All students are required to have their camera on and be visible and attentive. Please mute your microphone while you are not talking so that background noise does not disrupt the class.

2. OVERVIEW OF COURSE

This course will cover concepts related to those in your high school math classes. It will review and reinforce the material from your classes.

3. ASSIGNMENTS

There will be homework assignments posted to the UB math Canvas page.

4. RESOURCES

Materials related to this course will be uploaded or posted to the UB math Canvas page.
